Aspects In Astrology: A Comprehensive guide to Interpretation

Aspects in Astrology - A comprehensive guide to Interpretation. Planetary relations (or aspects) are key to any real understanding of the horoscope. Not merely descriptive of personality, they describe the stories in peoples lives, in some sense, their fate. Perhaps it is because of their profundity and richness that this area of interpretation can prove so elusive.

What are astrological aspects and how do they show themselves in a horoscope? How do they relate to the zodiac as a whole and how important are they ? Most importantly, how can they best be put to use in understanding our individual needs and relationships? Sue Tompkins, former Director of Schools for the prestigious Faculty of Astrological Studies, explains the significance and practical use of astrological aspects, which go much deeper into revealing the layers of a person's character than do most summaries offered by basic descriptions of star signs. Included is a section offering interpretations for every planetary combination. Also featured are examples drawn from the lives of many well-known people, along with charts and diagrams. Not simply another book on astrology, this is informative and useful guide will appeal equally to the experienced astrologer and to the beginner who wishes to know more.

Illustrates how aspects can offer a profound depiction of an individual and his or her destiny. •

Contains comprehensive sections full of interpretations for every planetary combination. • Concepts are explained through the use of actual birth charts and diagrams. • A core textbook at the Faculty of Astrological Studies in London. Aspects are an essential piece of the astrological puzzle when it comes to interpreting and using the information that astrology can give us. It is not enough to know the placement of the planets on the horoscope. It is the relationships between the stars and planets that let us grasp the destiny of the individual. Aspects describe the drama of our lives--the complex configurations that influence what will happen to us over time. Sue Tompkins, a fellow of the Faculty of Astrological Studies in London, shows how to interpret aspects when doing daily astrological readings. She uses the lives of real people to plot the aspects and offers examples of every possible planetary combination. Detailing the influence of oppositions, trines and elemental trines, and cardinal, mutable, and fixed crosses, Tompkins shows how aspects provide the energy in the chart that transforms the horoscope into something symbolizing an alive and vital human being. With *Aspects in Astrology*, Tompkins provides both the novice and the experienced astrologer the evidence and concrete methods needed to grasp the vast knowledge offered to us by our horoscope.

Brandt Riske presents the essentials of astrology in a clear, step-by-step way, paying special attention to three areas of popular interest: relationships, career, and money. She explains the meaning of the planets, zodiac signs, houses, and aspects, and how to interpret their significance in your chart. Over 30 illustrations, including the birth charts of several famous people—Al Gore, Oprah Winfrey, Brad Pitt, and Tiger Woods, to name just a few—add a helpful visual dimension to your learning experience. Practical and positive, Llewellyn's Complete Book of Astrology offers techniques for using astrology to identify the qualities you seek in an ideal mate, realize your career and financial potential, calculate your luck, and discover your inner strength.

This text offers an explanation of the language of astrology, focusing on concepts rather than words.

Through astrologers are well aware that it is the aspects between planets which has been planets which add detail and definition to a birth chart, there has been no single work which deals comprehensively with the theory and delineation of aspects in Vedic Astrology. This book fills a void by providing a clear and concise treatment of the subject. The authors have drawn their material from the ancient and medieval classics of Vedic astrology, preserving the wisdom of the sages as well as granting their readers a wealth of insight into how the ancient dictums may be applied to contemporary life.

Bruno & Louise Huber introduce their holistic approach to the birth chart, where the pattern of the aspects reveals the key to understanding hidden, often unconscious, motivation. This second edition has full colour illustrations.

Every major aspect (conjunction, sextile, square, trine, opposition, inconjunct) is covered, 314 aspects in all, 300 words per aspect, thumb indexed for easy reference. Planets in Aspect, the first volume published in Para Research's Planets series, is undoubtedly the most thorough in-depth study of planetary aspects (including the inconjuncts) ever written. It's intelligent, yet easy to read. It's personal, yet objective. It's astrology that really works... and keeps on working for you.

With the help of this book even novices can know their future and can also foretell the future of their near and dear ones. It is our humble endeavour to enlighten the masses with knowledge of Astrological prediction. Twelve Ascendants arise in the sky during the course of a day and night. An Ascendant exists for roughly two hours. It is the first endeavour to give the prediction on the basis of Ascendant itself. It is hoped that it will be highly appreciated in the Astrological world. A comprehensive software program "Srishti" is being prepared on the persistent demand of learned readers,

which will be unique and unparalleled among all the existing softwares. It is expected that the software will bring a revolution in the Astrological prediction. I am thankful for the perpetual support and affection given by the learned readers. The practical significance of the book has been enhanced several notches up due to birth horoscopes given at the end of this book with illustrations. It is a proven fact that every lover of Astrology is a master in telling his own future, but the real challenge lies in predicting the future of others. The book is intended to meet this challenge. What could you gather from this book and what knowledge is there in your stock, kindly acknowledge by writing them down to me. I shall be awaiting your letter, but do remember to enclose a duly typed and stamped envelope bearing your address for a reply.
