Forever Black Juvenile characters, juvenile dialog, juvenile writing by the author whose developmental age must be stuck at 15, and my sentiment has nothing to do with this being a YA book. I enjoy many YA books, just not this one. Originally posted on Forever Black (Forever Trilogy, #1)

The second the whip was placed in my hand, I snapped. I couldn't turn away. I needed this. The man I fought for so long has returned, more feral than before. Will Rome still love me? Or will she leave?

The twin acts of singing and fighting for freedom have been inseparable in African American history. *May We Forever Stand* tells an essential part of that story. With lyrics penned by James Weldon Johnson and music composed by his brother Rosamond, "Lift Every Voice and Sing" was embraced almost immediately as an anthem that captured the story and the aspirations of black Americans. Since the song's creation, it has been adopted by the NAACP and performed by countless artists in times of both crisis and celebration, cementing its place in African American life up through the present day. In this rich, poignant, and readable work, Imani Perry tells the story of the Black National Anthem as it traveled from South to North, from civil rights to black power, and from countless family reunions to Carnegie Hall and the Oval Office. Drawing on a wide array of sources, Perry uses "Lift Every Voice and Sing" as a window on the powerful ways African Americans have used music and culture to organize, mourn, challenge, and celebrate for more than a century.

From *A Knight in Shining Armor* to *The Mulberry Tree*, Jude Deveraux's bestsellers sparkle with stunning originality, heartfelt wit, and adventurous passion. Now, this superb storyteller mixes the flavor of a classic fairy tale with a very modern love story—set in a town locked in the shadows of an abiding evil. Darci Monroe overcame a childhood of neglect with an ebullient spirit, a positive attitude...and extraordinary determination. Now the resourceful young woman, hired as Adam Montgomery's personal assistant, devotes more than just professional attention to this devastatingly handsome millionaire. But one thing bars Adam from accepting Darci's love: he is intent on discovering the secret of his parents' disappearance, for she possesses the otherworldly abilities needed to help him fight a terrifying mistress of the dark arts. What Darci ends up offering is a gift greater than Adam ever hoped for, for Darci loves with all her heart, and all her soul, forever...

or at least my version of it. I'm rich, fit, sexy, and no matter where I go, women are always throwing themselves at me. I love to party, and when I do, it can sometimes lead to trouble. Women. What can I say? One woman broke my heart which led me to close myself off so it could never happen again. I've become one of New York's most eligible bachelors and bad boy. I leave a trail of broken hearts wherever I go. Until her. This is my journey of going through the ups and downs of life as I climb the corporate ladder, heal a broken heart, and discover that there's more life than what I thought. She. Changed. Everything.

"This is Jude Deveraux at her most pleasurable," hailed Booklist in praise of her powerful bestseller *Forever*....Now Deveraux brings back her gifted heroine, Darci Monroe, in a riveting new novel of endless love and shadowed secrets. *Forever and Always* Darci's psychic abilities have always guided her through hardship...and into a once-in-a-lifetime love with her rich, powerful husband, Adam Montgomery. When Adam vanishes in a mysterious accident, a grief-stricken Darci is left alone to raise their young daughter. But her instinct tells her the reports of Adam's death are untrue. When the FBI enlists her intuitive talents to solve a heinous crime, she agrees -- if they'll help to uncover the truth about Adam. It may be a tougher deal than Darci imagined: she must go head-to-head with Jack Rose, a criminal whose mind power matches Darci's at every turn. Now Darci must discover if those in the highest circles of authority have her best interests at heart -- or if someone intends to sever the everlasting bond she shares with her one true love.
