Practise and prepare for AQA GCSE Chemistry with hundreds of topic-based questions and one complete set of exam practice papers designed to strengthen knowledge and prepare students for the exams. This extensive practice book raises students' performance by providing 'shd loads of practice', following the 'SLOP' learning approach that's recommended by teachers. - Consolidate knowledge and understanding with practice questions for every topic and type of question, including multiple-choice, multi-step calculations and extended response questions. - Develop the mathematical, literacy and practical skills required for the exams; each question indicates in the margin which skills are being tested. - Confidently approach the exam having completed one set of exam-style practice papers that replicate the types, wording and structure of the questions students will face. - Identify topics and skills for revision, using the page references in the margin to refer back to the specification and accompanying Hodder Education Student Books for remediation. - Easily check answers with fully worked solutions and mark schemes provided in the book.

Build essential maths, literacy and working scientifically skills to boost marks in GCSE Chemistry and ensure that students reach their full potential. Suitable for all specifications, this skills book provides additional support and will help to: Sharpen mathematical skills with plenty of practice questions and coverage of all the maths techniques needed for the exams. Improve literacy skills with tips on how to write longer answers, plus peer-assessment marking activities. Develop the working scientifically skills needed to plan, carry out and evaluate practical experiments, in order to secure the maximum number of marks. Build confidence by putting skills into practice; using our three-step formula students will progress from worked examples to guided questions and exam-style questions, with fully-worked solutions in the book. Raise performance in the exams with practical advice on how to revise effectively and tips on understanding the questions, command words and assessment objectives.

Target success in CCEA GCSE Chemistry with this proven formula for effective, structured revision; key content coverage is combined with exam-style tasks and practical tips to create a revision guide that students can rely on to review, strengthen and test their knowledge. With My Revision Notes, every student can: - Plan and manage a successful revision programme using the topic-by-topic planner - Consolidate subject knowledge by working through clear and focused content coverage - Test understanding and identify areas for improvement with regular 'Now Test Yourself' tasks and answers - Improve exam technique through practice questions, expert tips and examples of typical mistakes to avoid - Answers to the practice questions available online

Build your students' scientific thinking and practical skills with this textbook developed specifically for the 2017 GCSE specifications and from the No. 1 publisher for CCEA GCSE Science. - Develop understanding with clear Examples, Tips and Practical activities. - Prepare students for assessment with Test Yourself questions, Maths practice and Exam-style questions throughout. - Provides everything you need for GCSE Chemistry and the Chemistry content of GCSE Double Award Science. - Supports Foundation and Higher-tier students in one book.

Freesciencelessons is the most viewed GCSE Science channel on Youtube and has helped countless students to achieve or exceed their expectations in their GCSE Science exams. This is the companion workbook for the GCSE Combined Science Foundation Chemistry 2 videos for the AQA specification. Written by Shaun Donnelly (who appears in every video), this book contains hundreds of questions to guide students through the course. Accompanied by detailed on-line answers, this is the perfect resource for every student following the AQA specification.Every topic is covered in depth, including all the required practicals. A specimen exam paper is also included, allowing students to check their progress across the subject.

New editions of the bestselling Revise GCSE Study Guides with a fresh new look and updated content in line with curriculum changes. Revise GCSE contains everything students need to achieve the GCSE grade they want. Each title has been written by a GCSE examiner to help boost students' learning and focus their revision. Each title provides complete curriculum coverage with clearly marked exam board labels so students can easily adapt the content to fit the course they are studying. Revise GCSE is an ideal course companion throughout a student's GCSE study and acts as the ultimate Study Guide throughout their revision.

Aiming for your very best grades in AQA GCSE Chemistry? This revision guide will support you every step of the way. My Revision Notes (for A* to C): AQA GCSE Chemistry will help you revise effectively in the way you want to, allowing you to plan and pace your revision according to your learning needs, and to adapt and personalise with your own notes. Written by experienced teachers and examiners, you can be confident that this guide will cover only the facts and ideas you will be expected to recall and be able to use. With My Revision Notes (for A* to C): AQA GCSE Chemistry, essential facts are organised into memorable portions to make revising easier. Each double-page spread summarises a key topic for AQA GCSE Chemistry and is packed with questions and quick-fire quizzes so you can test your understanding and track your progress. Exam tips and hints then show you how to avoid losing marks and get the best grades. With additional online support and advice on using terms and applying your scientific skills, this guide will help you prepare for your top grades.

Exam Board: WJEC Level: GCSE Subject: Chemistry First Teaching: September 2016 First Exam: June 2018 Welsh edition. Expand and challenge your students' knowledge and understanding of Chemistry with this textbook that guides students through each topic within the new curriculum; produced by a trusted author team and the established WJEC GCSE Science publisher. - Test understanding and reinforce learning with differentiated Test Yourself questions, Discussion points, exam-style questions and useful chapter summaries. - Provide support for all required practicals along with extra tasks for broader learning. - Support the mathematical and Working scientifically requirements of the new specification with opportunities to develop these skills throughout. - Supports the separate science Chemistry and is also suitable to support the WJEC GCSE Science (Double Award) qualification.

Written by examiners and practising teachers, each book in this series contains activities and useful features intended to aid understanding. Knowledge is tested throughout, with progress checks at the end of every chapter and practice questions at the end of each section.
