Ever pictured your own funeral? You won't be able to help it when you read some of the stories in this nightmarish collection, where things are never what they appear. Funerals are just the beginning. How about a day at the beach that ends in a mischievous murder? Or a cell phone that has a direct dial to . . . the dead? From the creator of the blockbuster Alex Rider Adventures and The Diamond Brothers Mysteries comes eight more fantastically frightening tales. Whatever you do, don't take this book to bed with you!

Alex Rider is now an IMdb TV/Amazon Original Series! From internationally bestselling author Anthony Horowitz comes the twelfth thrilling installment of the Alex Rider series! Follow the world's greatest teen spy as he sets off to Gibraltar after the death of Scorpia, and enters into a battle against a new criminal organization: Nightshade. Following the shocking events of Never Say Die, Alex Rider's world has changed: his biggest enemy, the evil organization Scorpia, has been destroyed. Alex is hoping his life can finally go back to normal, that he can go to school and spend time with his friends--but very quickly everything changes. A new and dangerous criminal organization--Nightshade--is rising. When Alex discovers they've planned a mysterious attack on London, he will stop at nothing to take them down. But protecting his home city means facing off a ruthless new enemy and putting his life at stake, again. And this time, there's no one to save him if he makes a mistake. The #1 New York Times and internationally bestselling Alex Rider series is back with a vengeance in this edge-of-your-seat adventure. Perfect for fans of James Bond and Jason Bourne!

Twelve-year-old Joe Warden isn't happy. Sure, he's rich, but his parents don't care about him. His grandmother should make everything better, except that Joe's granny is a nightmare. She's not just physically repulsive, she's horribly mean. Everyone thinks she's just a dotty old woman, but Joe knows the truth. He's seen behind her mask and glimpsed the wicked glimmer in her eyes - she is pure evil. And now she's out to get Joe, unless he can stop her and her band of nasty grannies first.

Stories of ultimate revenge, from freshly sold human meat and uncontrollable robots, to life-sucking MP3 players and reality TV where death is the penalty - all told with dark humour and gruesome relish.

Three sinister and creepy tales by Anthony Horowitz, a master storyteller and the bestselling author of the Alex Rider series. Gary hates the countryside - why did his mum have to bring him here to stay with his gran? It's boring and prickly and field after field, it all looks the same - especially when you're lost... Kevin loves computer games, but this latest game (Smash Crash Slash 500 Plus) breaks all the rules, and now Kevin is part of the game... Howard is in Heaven, strange after a life spent bullying, stealing and playing truant - so why is he so unhappy?

A Guardian 'Best Thriller of the Year!'' The New York Times bestselling author of Magpie Murders and Moriarty brilliantly reinvents the classic crime novel once again with this clever and inventive mystery starring a fictional version of the author himself as the Watson to a modern-day Holmes, investigating a case involving buried secrets, murder, and a trail of bloody clues. A woman crosses a London street. It is just after 11am on a bright spring morning, and she is going into a funeral parlor to plan her own service. Six hours later the woman is dead, strangled with a crimson curtain cord in her own home. Enter disgraced police detective Daniel Hawthorne, a brilliant, eccentric man as quick with an insult as he is to crack a case. And Hawthorne has a partner, the celebrated novelist Anthony Horowitz, curious about the case and looking for new material. As brusque, impatient, and annoying as Hawthorne can be, Horowitz--a seasoned hand when it comes to crime stories--suspects the detective may be on to something, and is irresistibly drawn into the mystery. But as the case unfolds, Horowitz realizes he's at the center of a story he can't control . . . and that his brilliant partner may be hiding dark and mysterious secrets of his own. A masterful and tricky mystery which plays games at many levels, The Word Is Murder is Anthony Horowitz at his very best.

From the New York Times bestselling author of the Alex Rider series! A teen gang leader taken for a deadly ride by a car with a mind of its own. . . . A boy haunted by a phantom cobra. . . . A reality TV show pitting teens against grown ups, with only one survivor . . . From whose twisted mind can such gruesome stories unfold? Only Anthony Horowitz. From the internationally bestselling author of the Alex Rider missions, this collection of harrowing tales is sure to have you smiling in terrified pleasure. But whatever you do, don't turn out the lights!

Uncle Nigel is determined to get a sun tan. But Tim is sure there is something sinister going on, when his uncle's skin starts to frazzle and his brain begins to fry. When Bart buys a magical monkey's ear in a market in Marrakesh, he discovers that making wishes is a dangerous game - you might just get what you wish for . . . And who is the writer of the shortest horror story ever written?

From the # 1 New York Times bestselling author of the Alex Rider series. Tom Falconer is in trouble. Pursued by the notorious criminal Ratsey, Tom soon finds himself alone and hungry on the streets of London. Luckily enough, the mysterious Dr. Mobius soon recruits Tom to play an important role in a play to be performed in front of Queen Elizabeth. Tom knows there's something not right about Mobius, but he's willing to take a risk in order to keep his neck out of Ratsey's murderous hands. Little does Tom realize that Mobius's dark secret will trap him in the middle of an international conspiracy, holding the fate of the English empire in his hands.
