Although the "decline" of network television in the face of cable programming was an institutional crisis of television history, John

Where To Download Quizlet Answers To Is 100b Test

Caldwell's classic volume *Televisuality* reveals that this decline spawned a flurry of new production initiatives to reassert network authority. Television in the 1980s hyped an extensive array of exhibitionist practices to raise the prime-time marquee above the multi-channel flow. *Televisuality*
