"Show Me the Numbers" is rare and

# Where To Download Show Me The Numbers Designing

special. It is a practical and commonsense guide that you can use in your business today and every day. Stephen Few grounds his principles in the work of Edward R. Tufte and others, extends them to comprehensively address the needs of business, and then applies them to hundreds of examples drawn from his own experience.

Show Me The Numbers Designing Tables And Graphs To Enlighten Show Me the Numbers: Designing Tables and Graphs to Enlighten, Second Edition, Stephen Few, \$45.00 MSRP, June 2012, Analytics Press. (Table of Contents) Most presentations of quantitative information are poorly designed—painfully so, often to the point of misinformation. This problem, however, is rarely noticed and even more rarely addressed. We use tables and graphs to communicate quantitative information: the critical numbers that measure the health, identify the opportunities, and ...

Show Me the Numbers: Designing Tables and Graphs to ...

Imagine designing a letterhead featuring addresses and phone numbers using such an inconsistent font design. When choosing a font for a design project, whether it ' s a logo design, letterhead, or a T-shirt design, always remember to check the numerals to see whether the number and letter designs go well together.
