Foster child. Teenage whore. Now a veterinarian, MacKenzie's turned her life around, but the scars remain. She saves her affection for the animals who never judge or scorn her, but it's time to get out, move on from her past in Iowa. So, she arranges a vacation exchange to job hunt in Seattle. Although the house is lovely, one room is locked. Her years in foster care have given her two 'gifts': a neurosis about locked doors and the ability to open them. After she gets into the room, she's appalled...and intrigued. Chains and manacles, whips and paddles, odd benches with straps... When Alex returns home days early and finds MacKenzie draped over the spanking bench in his locked dungeon, he's furious. But her wariness arouses his protective nature and curiosity, so he strikes a deal to keep her close-she'll act as his submissive in exchange for a place to stay and help finding a job. He'd planned to use the veterinarian to deter an ex-girlfriend, not replace her, but with MacKenzie's compelling mixture of strength and vulnerability, the little sub slides right into his well-defended heart.

In the Alaska wilderness, four streetwise boys became men-and brothers Now the crazy ex-military survivalist who plucked Gabriel and three other boys from an abusive foster care home has died. Wounded in body and soul, the retired SEAL simply wants to remain holed up in his isolated cabin. He sure doesn't want to be chief of police in some defunct town. But he has his orders. Audrey needs a place to hide After the Chicago librarian discovers a horrendous crime, she wakes to an assassin in her bedroom. Injured and terrified, she flees, covering her trail every inch of the way. New name, new ID. New home. As Audrey learns to survive in Rescue, she begins to fall for the town...and the intimidating chief of police who protects it. Can the shy introvert and the deadly police chief find a life together? Despite the discord in town, Gabe is finding his own peace...with the quiet young woman who seems to have no past. She's adorable and caring and so very lost. "Three women, three Doms. One extraordinary night. Welcome to Dark Haven, and may all of your darkest wishes come true..." MET HER MATCH (A HAWKEYE STORY) by Sierra Cartwright Highly trained Mira Araceli can hold her own in the toughest parts of the world, but not, it seems, against her secret crush, Torin Carter. She'd fallen for her Hawkeye instructor years before, and to him, she'd been just another recruit: fresh, green, idealistic. Torin, with his dark Irish good looks and fierce temper, doesn't want a partner, any partner, and especially not Mira. But assignments are assignments, and he takes his responsibilities seriously. So when the beautifully submissive Mira crawls into his bedroom, a leather belt between her teeth, he calls on all his resolve to send her away. Unsatisfied, Mira ups the stakes and finds another dom to play with at Dark Haven. Beyond furious, Torin storms into Master Xavier's club and claims his rights to dominate Mira. For the first time in her life, she's met her match. EDUCATING EVANGELINE by Belinda McBride "This isn't what she came here for!" Pursued by a group of mysterious hunters, Evangeline Jones was desperate for sanctuary when she ducked into the doorway of Dark Haven. Instead of safety, she discovers a decadent, sensual world that challenges her very outlook on life. Harle Sommers is charmed by the little wolf with the pink streak in her ebony hair. An alpha of the Napa pack, he sometimes feels that he's alone at the top. When he meets Eva, he knows he might not be able to keep his wild little wolf at his side, but his heart tells him that his lonely days might be at an end. SIMON SAYS: MINE by Cherise Sinclair With an empty nest and divorce in hand, Rona decides it's time to explore the fantasies that nourished her through a long, tedious marriage to a man whose idea of outrageous sex was leaving the lights on. At the top of her fantasy list is touring Dark Haven, the BDSM club, but she isn't prepared for the effect of a powerful Dom. When Master Simon takes control and introduces her to toys and sensations she's never felt before, she realizes he could fulfil every fantasy on her list all by himself. But she's vowed to never get trapped in a relationship again. One of the most popular Doms in Dark Haven, Master Simon has had his fill of eager, shallow, young subs. Rona is older, intelligent, independent...and sweetly submissive. After an evening of intense pleasure and despite her obvious attraction, she refuses to see him again. He needs a way to change her mind. She's not the first sub he's taken on a journey of exploration, but he's beginning to think she might be the last. *Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, strong BDSM theme and elements to include exhibitionism and voyeurism.*

As he enters Club Kink, he's inexplicably drawn to a newly released sub with an intriguing proposition and the most captivating amber eyes. But she has disturbing baggage and her expectations prove quite a challenge, one that would necessitate a commitment he's not ready for. Rielle Reid needs a Dom while she waits for her former Master to return. When she invites a handsome stranger to her home dungeon for a night of play, she's surprised at his gentle dominance--and her response to it. But in the light of day, his demand for equal footing confounds her. After living four years as a twenty-four/seven slave, she has no concept of how to be anything other than property. Gage must find a way to master Rielle to free them both from the shackles of the past.
