Weil has now officially become my favorite sci-fi author. The Lost Fleet series is one of the best works available from modern authors. "Search for the Originators" is the culmination of the series, altho the upcoming extended trilogy should continue the tradition. These stories are more about the people and their bravery than about military sci-fi.

The Lost Fleet is a military science fiction series written by John G. Hemry under the pen name Jack Campbell. The series is set one-hundred-plus years into an interstellar war between two different human cultures, the Alliance and the Syndics. The protagonist of the story is discovered floating in a suspended animation escape pod one hundred years after he made a "heroic last stand" against an enemy fleet. In his absence, he has been made into a renowned hero in the Alliance, but his legend and
