Whispers From The First Californians
The First Peoples of California. The Spaniards, of course, were hardly the first to discover this land of wonder and extremes. The earliest Californians were adventurous Asians who made their way across the Bering Straits to Alaska thousands of years ago when a warmer climate and a now-vanished land bridge made such travel easier.

The First Peoples of California | Early California History—
Trivia. The Whisperers are the first group of antagonists to kill a main character during their first on-screen reveal. A first glimpse of the Whisperers can be seen at the end of the Season 9 San Diego Comic-Con Trailer being part of a herd, one of them is heard "whispering". "Whispering" is their way of communicating while walking among the dead, it's a slow, drawn out, groaning speech pattern.
